Rules for Chess

1. There will be only four players in a team and one substitute.
2. The time control is game of 15 minutes. The game is clock move. A move is not complete until the opponent's clock has been started.
3. In the match between two teams, four players of one team play simultaneously against four players of the other team. Points are as such:
 - a. Point for each win of the individual players
 - b. 0.5 points for each draw.
 - c. 0 points for a loss
4. In case of points being equal at the end of four matches, the fifth player of respective teams play each other to decide the winner of the round
5. Illegal moves have one warning; third offence loses (if called out)
 - a. If an opponent makes a move and starts the opponent's clock, they have forfeited the right to claim that illegal move.
 - b. Before play begins both players should inspect the position of the pieces and the setting of the clock, since once

18th BITS Sports Festival

each side has made a move all claims for correcting either is null and void.

c. Illegal moves, unnoticed by both players, cannot be corrected afterwards, nor can they become the basis for later making an illegal move claim. If the King and Queen are set up incorrectly when the game begins, then you may castle short on the queen side and castle long on the kingside. Once each side has made a move, incorrect setups must stay.

6. Team Partners cannot verbally communicate throughout a game.
It is illegal for one partner to make move suggestions to the other partner.
7. Each player must push the clock button with the same hand they use to move their pieces. Exception: only during castling may a player use both hands. While capturing only one hand may be used. The first infraction will get a warning, the second a one illegal and the third will result in the loss of the game.
8. Except for pushing the clock button neither player should touch the clock except:

18th BITS Sports Festival

- a. To straighten it;
- b. Neither player should keep their hand on or over the clock.

Define a win. A game is won by the player:

- 9.
 - 1) Who has mated their opponent's king.
 - 2) Whose opponent concedes.
 - 3) Whose opponent's time ends first, at any time before the game is otherwise ended, provided he/she points it out and neutralizes the clock while their own time is still available(-clock time)
 - 4) Who, after a 3rd illegal move, takes the opponent's king or stops the clock.

Defining a draw. A game is a draw:

- 10.
 - A. By agreement between the teams during the game only.
 - B. If the time of one player ends after the time of the other player has already ended and a win has not been claimed, unless either side mates before noticing both flags down. Announced check mate nullifies any later time claims.
- In case of a dispute either player may stop both clocks while the tournament arbiter will consider the testimony of both

18th BITS Sports Festival

players and any reliable witnesses before rendering his decision.

The tournament arbiter shall not pick up the clock; except in the case of a dispute.

11. Players in another match are not to speak or otherwise interfere in a game. If a player interferes in any way, such as by calling attention to the flag fall or an illegal move, the tournament arbiter may cancel the game and rule that a new game be played instead, and he may also expel the offending party from the playing room. The tournament arbiter should also be silent about illegal moves, flag falls, etc. as this is entirely the responsibility of the players.
12. Only a tournament arbiter may determine if a clock is defective and change clocks.
13. Excessive banging of pieces or clock will not be tolerated and the offending player may be penalized with loss of time.
14. Piece touched has to be moved.
15. All participants must have their ID cards with them.
